Hi All

Protest group has occupied west bound lanes of Hwy 402 and OPP has shut down highway.

We currently have no traffic able to go westbound to US.

Will keep you posted.

Thanks,

Joe

Hi All,

We are seeing plans for a major protest here at BWB tomorrow with the group planning to shut down Hwy 402. OPP are managing the incident response and it is an evolving situation.

We have also had reports today that there may be small groups heading to BWB and Windsor today to "shut down the border" - no more details than that at this time.

We will continue to provide updates as they unfold.

Thanks,

Joe Dedecker

Subject: Truck Protests / Convoy

Hi All,

Today in Point Edward / Sarnia there is an organized protest/rally that is driving around the community with 50 - 80 trucks planned.

Their route does not affect bridge traffic as they are sticking to the local streets all around the plaza and neighboring community.

OPP are aware and involved.

No incidents expected but I wanted to provide this for awareness.

Thanks,

Joe Dedecker
